Lodging

ACDS has booked a block of rooms at the Winthrop Rockefeller Institute (Winrock) for the event. You may rebook one for your stay. These rooms start at \$69 per night. Just call the number above and mention our group reservation #35960.

Food

Winrock has a nice dinner restaurant, the River Rock Grill where you can make dinner reservations for Saturday if you like. We will also have access to a full kitchen in the Tack Room at the Meadows as well and you may bring food for yourself or to share and store/prepare it there. Some of the rooms also have kitchens which provide further options for eating. Ask Winrock reservations about these rooms when you reserve yours.
